			Group activity in Valencia				

You will need to bring a laptop computer for the sessions. All the material is digital.

On Thursday evening, there will be a guided tour of Valencia City followed by food and drinks.

There will be a daily shuttle bus available from and to Valencia downtown. Please check the pickup and drop-off points in the PDF Health & Travel Information.

Currently, face masks are recommended in closed spaces but mandatory in transportation, so it will be required to board the shuttle bus.
